To Apply for Worker Adjustment Assistance

Grupo Antolin North America had their wages reported under a separate unemployment insurance (UI) tax account under the name Keyland USA, Inc.

Accordingly, the Department is amending this certification to properly reflect this matter.

The amended notice applicable to TA-W-73,077 is hereby issued as follows:

"All workers of Grupo Antolin, a subsidiary of Grupo Antolin North America, including workers whose unemployment insurance (UI) wages are reported through Keyland USA, Inc., including on-site leased workers from Job Network, Belvidere, Illinois, who became totally or partially separated from employment on or after December 9, 2008 through June 16, 2012, and all workers in the group threatened with total or partial separation from employment on date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended."
